Dear Sir:

Patentee previously filed a Request for Certificate of Correction Pursuant to 37 C.F.R. §1.322 on February 15, 2005. Upon receipt of the Certificate of Correction dated June 14, 2005 (enclosed herewith), Patentee noted a PTO typographical error on the Certificate of Correction which should be corrected. Specifically, the Certificate of Correction states that "Column 12, Line 5, 'die' should read -- the --." Patentee notes that U.S. Patent 6,753,547 does not contain a Column 12. Patentee requests that the Certificate of Correction dated June 14, 2005 be withdrawn, and a corrected Certificate of Correction be issued with the correct information.

The supplemental Certificate of Correction should read as follows:

**Column 6,**

Line 41, "die" should read -- the --.

The original error was not in the application as filed or amended by applicant, and, as noted, the Certificate of Correction error is also a PTO mistake; accordingly no fee is required.

Transmitted herewith is a proposed Certificate of Correction effecting such amendment. Patentee respectfully solicits the granting of the requested Certificate of Correction.

Dated: July 21, 2005

Respectfully submitted,

By 

Thomas J. D'Amico
